

## BRIEF SUMMARY

Enthusiastic and motivated Computer Science Engineering student with a passion for leveraging technology to solve real-world problems. Proficient in programming languages such as Java, Python, and with a solid foundation in Web Development. Proven ability to collaborate effectively in team environments, adapt quickly to new challenges, and deliver high-quality results within deadlines.

## KEY EXPERTISE

Java Python HTML5 CSS Javascript C Git MySql

## EDUCATION

### Parul University

2021 - 2025

B.Tech. - CSE - PIT | CGPA: 7.01 / 10

### Shree Satya Sai Vidhyalaya, Jamnagar

2021

12<sup>th</sup> | GSEB | Percentage: 79.80 / 100

### Shree Satya Sai Vidhyalaya, Jamnagar

2019

10<sup>th</sup> | GSEB | Percentage: 85.33 / 100

## PROJECTS

### Crowd Funding Website

01 Jan, 2024 - 31 Mar, 2024

Key Skills: HTML5 CSS Javascript

Created a crowdfunding website prototype using HTML, CSS, and JavaScript, demonstrating expertise in front-end web development. Designed intuitive user interfaces and navigation flows to encourage user engagement and facilitate donations. Implemented secure payment gateways and user authentication features using JavaScript for enhanced functionality and data protection. Ensured responsiveness across various devices to provide a seamless browsing experience.

### Amazon Landing Page

Key Skills: CSS Javascript HTML5

Developed an Amazon landing page replica using HTML, CSS, and JavaScript, showcasing proficiency in front-end web development. Implemented responsive design principles for optimal viewing across devices, ensuring a seamless user experience. Utilized JavaScript to add interactive elements such as dropdown menus, sliders, and product carousels, enhancing functionality and engagement.

## ASSESSMENTS / CERTIFICATIONS

### Introduction to Cyber Security

Key Skills: Cyber-security

Completed comprehensive training in foundational cybersecurity principles, including threat identification, risk management, network security, cryptography, and compliance.

### Python Fundamentals for Beginners

Key Skills: Python

Attained proficiency in Python programming language through rigorous coursework and hands-on projects.

### Build A Natural language Processing Solution Using Microsoft Azure

Key Skills: Microsoft Azure

### Java Programming for Complete Beginners

Key Skills: Java

Obtained comprehensive training in Java programming language, mastering core concepts and advanced features.

Data Analytics with Python

Key Skills: Data Analytics

Certified in Data Analytics with Python, showcasing comprehensive skills in leveraging Python programming language for proficient data analysis. Proficient in data manipulation, visualization, and statistical analysis techniques, with a focus on extracting actionable insights from complex datasets. Equipped with the ability to develop efficient data-driven solutions to real-world problems
